

Washington FSDO FAASTeam presents:

Leesburg Maneuvering Area Refresher

This webinar covers the operating procedures for the Leesburg Maneuvering Area and the surrounding SFRA. In an attempt to reduce the number of pilot deviations in this area this webinar was created to help pilots refresh on these regulations and the operational procedures. Our goal is to keep this information fresh in the minds of the pilots who fly here regularly, and to provide it to those who may be transiting the area.

Directions: *REVISED REGISTRATION LINK*

Register for the webinar using the link below. This webinar is will be conducted using Zoom.
